

GALAXY Outdoor Campers

Our tops have been made to fit a standard 7-foot (7') trailer length (2133.60mm). If you wish to make your trailer longer than this, then know the travelling cover hangs under the travelling frame by 10mm.

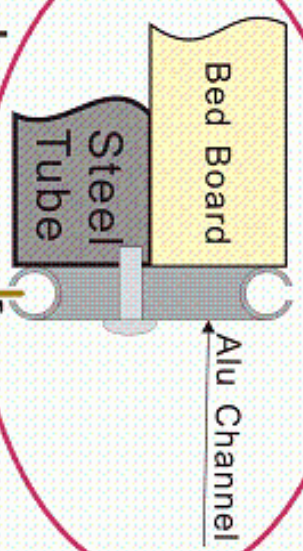

2130

<<<<FRONT REAR>>>>

Yellow denotes D-shaped rubber seal in a 7' x 4' trailer configuration.

Add 40x20 jarrah or steel if your trailer is too short.

The travelling cover protrudes down by 10 mm.

Height from ground to top of Trailer: 940mm to 1060mm with 980mm optimum.
